Dear Artist,

We are moving into an exciting new era at Harrison County Arts. We have moved into our new building at 113 East Beaver Street in Corydon, In. In anticipation and preparation for this new chapter at Harrison County Arts we have developed new criteria for our exhibiting artists and inviting new artists to join HCA.

The new location features an invitational gallery, members gallery, giftshop, and a community gallery. We have a new website that will include profiles of each artist and images. We will also be highlighting artists on our social media and monthly newsletter. To achieve these goals, we have developed the following criteria.

The following are the new requirements for Harrison County Arts **new Contributing/Visiting Artist Program**. With this program, artists who are not able to work in the gallery and/or are too far away to have a regular membership would have the opportunity to show their work in the gallery.

### Visiting/contributing artist requirements

1. Artists must be members at the exhibiting artist level of \$25
2. Visiting/ Contributing artists pay a fee of \$20 dollars to show up to 3 pieces of their work for a 2-month period. Artist can renew this application at the end of 2 months providing they rotate out the older work with new works.
3. Gallery retains 50% (note: higher than members) of each purchase by patrons of Contributing artists' works.
4. To qualify as a Visiting/contributing artist:
  - Your work must be juried in or approved for exhibit by the Exhibition Committee.
  - You must sign an HCA exhibit contract.
  - You must submit:
    - An image of you
    - 10 images of your work at 300 dpi at least 5"x 7"
    - A one paragraph biography
    - A one paragraph artist statement
  - All work must be inventoried with label on back that includes your name, title of piece, price, and inventory number. No saw tooth Hangers. Work must be wired.
5. All commissions must come through us. If your work is seen by a client in our gallery then you owe us a commission on any future sales to that client.

We hope that you are all excited to move forward with us into the future. If you have questions or suggestions, please bring those with you to the meeting. Thank you,

Julie Schweitzer
